NATURAL PSYLLIUM PELLETS

Natural Psyllium, a multi-active premium psyllium seed husk, is designed to increase ration bulk. Flavoring has been added for palatability.

- ✓ May help reduce the possibility of digestive colic in horses
- ✓ Apple flavored pellets
- ✓ Supports the removal of sand

PRODUCT FACTS

ACTIVE INGREDIENT PER 5 OZ.

80% Psyllium Husk 102,250 mg

INACTIVE INGREDIENTS

Artificial flavors, mineral oil, natural flavors, propionic acid (preservative)

Cautions: If animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Safe use in pregnant animals or animals intended for breeding has not been proven.

ADMINISTRATION INSTRUCTIONS

For Equine Use Only. Recommended to support removal of sand from the ventral colon.

For a 1000 lb. Horse: Provide 1 scoop (5 oz.) to 1.5 scoops per day for 7 consecutive days every month. Give less to ponies, yearlings, and foals; more to larger horses and draft breeds. Scoop enclosed.

Fresh water should be available at all times.

Warnings: For equine use only. Keep out of reach of other animals and children. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.
